Crazy Bites,  
when Hunger Strikes

## PRODUCT INFORMATION

**KABIR FOODS PRIVATE LIMITED®** has earned immense recognition in the arena of snack pellets industry within a short span of few years, with its distinguished premium quality and delicious products. The Factory is equipped with state-of-art advance machineries and experienced skilled manpower that are calibrated to produce standard quality products. We are pleased to initiate ourselves as a manufacturer and exporter of snack pellets.

**We are an ISO 22000 & HACCP Certified company which determines our emphasis on consistent quality, taste and food safety. Quality consciousness at 'Kabir Foods' is just not a rule but a habit.**

The company is manufacturing snack pellets from high quality and standardized raw materials, which are subjected to intensified tests in our in-house laboratory. Stringent quality control of global standards are maintain at each production stage - Mixing, Processing, Storage, Packaging and Dispatching. Our production follows in tandem process of stringent hygiene and food safety standards, to ensure our product's freshness, aroma and color.

**A NEW CONCEPT - 3D PELLETS :** The new concept of crispy & delicious 3D Snack Pellets is innovative and radical. These 3D Snack pellets, which transform into three dimensional shapes after frying, are now highly appreciated in the market. These crispy & delicious snacks are widely acknowledged for their quality, pleasing aroma, taste and crispiness.

**1. INGREDIENTS :** Wheat flour, Rice Flour, Tapioca starch, Maize starch, Salt, Raising Agents [500(ii), 521], and Edible Vegetable oil. (We do not use any synthetic or artificial color). We procure our ingredients from various parts of India with best quality standards and specifications for producing products matching global market standards.

**2. PLANT & PRODUCTION :** We have total synchronised automatic production plants with a capacity of about 3000 MT per year. Our production advancement ensure a safe and quality food items.

**3. MARKETING & DISTRIBUTION :** We have a very strong distribution network in all major cities of India. We are currently supplying to some of the major retail stores like Wal-Mart Cash & Carry, Carrefour, Easy Day, Vishal Retail, Store99 and many others in India. We have our presence marked in the global snack pellet industry.

**4. PACKAGING :** Our product is available in Retail & Wholesale packs in food grade pouches to keep the product's freshness, aroma and color unaffected. We also undertake customised private labeling required by exporters & retailers.

**5. FRYING INSTRUCTIONS :** Heat oil to frying temperature of 180°-185° C, Put pellet pieces in to the frying pan, and fry these for 8-10 seconds till proper expansion. Take them out before the color changes to brown. You may also add seasoning as per your taste.
